Time to Change (West Cumbria) Project CIC (TTC): believes in kindness for all our communities. Our Vision is “Through warmth and kindness, providing help and support to those most in need in our communities”. This is why we have worked together with Carlisle Diocese Mothers Union to offer holidays for families in West Cumbria who are desperately in need of a break away from it all.

Carlisle Diocese Mothers' Union (CDMU): is part of an International Christian charity that focuses on the support of families to help build strong relationships and communities, which is why it wanted to work with another like-minded charity. CDMU works with those of all faiths and none. It has been active in Cumbria for over 130 years.

The Seacote Park Caravan: is a 3 bedroom caravan with one double bedroom with toilet and 2 x2 single bedded rooms. There is another toilet and shower. All caravans are updated every 5years. The caravan is equipped with cooker, microwave and fridge/freezer. Bedding is supplied along with some basic games and toys. A play park and café/shop are both on the beach front. Pets are not allowed, except in exceptional circumstances. Holidays are usually Saturday-Saturday but midweek (Monday-Friday) and weekend Friday-Monday) can be accommodated outside school holidays

Please be aware that successful application for a holiday cannot be guaranteed and will depend on demand. We are sorry if this causes upset.
